Stainless Steel Sink

Our stainless steel sink selection offers a wealth of design options and product features. Choose from rounded or tight corners, different bowl depths, sink shapes and configurations.

Quality

Montina stainless steel is crafted with premium quality 304 series, 18/10 chrome-nickel content. Premium quality steel makes sinks highly resistant to staining, rust and corrosion. It has a natural resistance to common household acids, marks and stains.

Durability

Stainless steel has a non-porous surface which prevents dirt, bacteria and microorganisms from accumulating. It has a natural resistance to common household acids, marks and stains so your sink is easy to clean and care.

Design

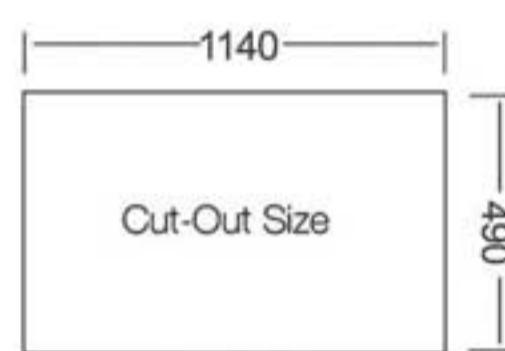

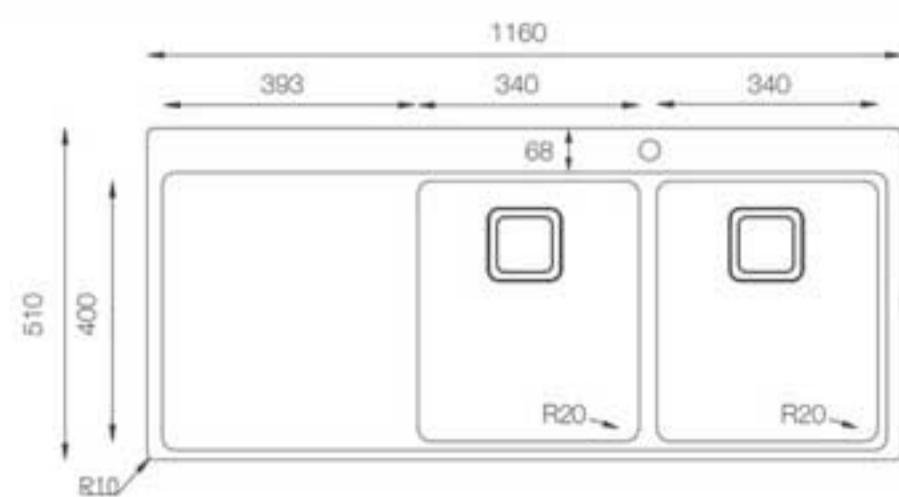

Rounded or tight corners, different bowl depths, unique shapes, and configurations. Discover them all with a wealth of design options.

Accessories

Montina accessories offer the highest quality in material and workmanship and are designed to custom fit a wide range of sink models.

CLEAN

Exclusive Designs

Our granite sinks portfolio is offered in 8 different colors over 10 exclusive sink designs for you to choose from. With such a wide assortment of styles, configurations, colors and sizes, we know you will not only find, but also fall in love, with your new granite sink.

Durability

A Granite sink is the ultimate choice for long-lasting kitchen. Scuff marks, hot pans and baking trays straight from the oven don't stand a chance against Granite.

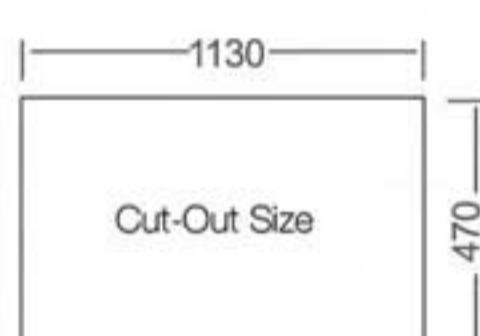

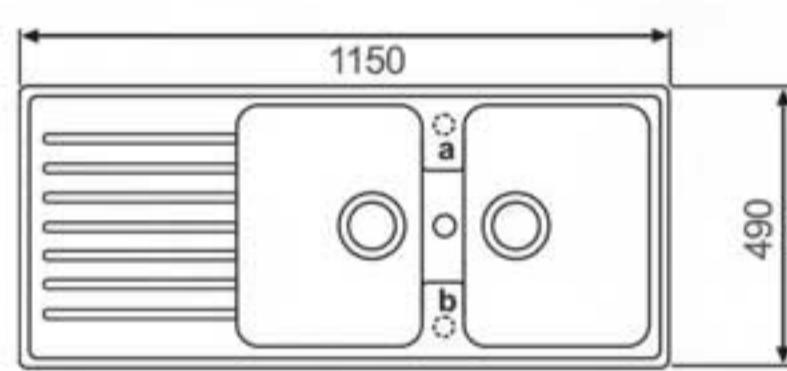

Easy to Clean

Montina Granite sinks are heat, scratch and stain resistant and are completely safe for contact with food. It has a non-porous, smooth stone surface that repels water and liquids and making it easy to clean and care.
